On behalf of His Worship the Mayor of iLembe District Municipality who cannot be with us today, we wish to congratulate NOFESA for opening their branch here at Ballito. The services that you will be providing will benefit the public, private sector and the government.

As we celebrate the decade of the new local government democratic dispensation, we need to look back at the role that has been played by business in partnership with government in enhancing economic stability in our beloved country. We are confident that working together, we can do more.

The vision of iLembe is **TO BE A WORLD CLASS AFRICAN DESTINATION, WITH EXCELLENT SERVICE AND QUALITY OF LIFE FOR ITS PEOPLE**, and with the variety of services that NOFESA will be providing; you will definitely be contributing towards this dream.

We would like to thank you for seeing the need to be part of the growth that is happening here in the iLembe District.

THANK YOU
